Summary

BCA graduate with hands-on experience in SQL, Python, and Power BI, currently working as a Data Analyst Intern in the EdTech domain. Skilled in data cleaning, exploratory data analysis, and building dashboards that turn raw datasets into clear, decision-ready insights. Seeking a full-time Data Analyst role to apply structured, data-driven problem-solving to real business questions.

Skills

Programming & Querying: Python (Pandas, NumPy, Streamlit), SQL (MS SQL Server)

Data Visualization & BI: Power BI (DAX, Dashboards), Advanced MS Excel (Pivot Tables, Lookups)

Core Analytics: Exploratory Data Analysis (EDA), Data Cleaning, Data Visualization, Reporting

Tools: Git, GitHub

Experience

Data Analyst Intern

May 2026 – Present

Palin Analytics (On-Site)

Gurugram, Haryana

- Analyzed enrollment, revenue, and placement data of 5,000+ students using SQL and Excel, tracking an overall placement rate of 50.7% across 5 course categories.
- Identified Business Analytics as the top-performing course by placement rate (53.3%) and Data Science as the highest revenue-generating course (Rs. 5.80 Cr).
- Building interactive Power BI dashboards to visualize course, city, and counselor-wise performance for stakeholder reporting.

Projects

Student Dropout & Academic Success Analysis | *Python, Pandas, Power BI*

Personal Project

- Analyzed academic and socio-economic data of 4,400+ students using Python (Pandas) to identify dropout risk factors.
- Found students without a scholarship had a **3.2x higher dropout rate (38.7%)** than scholarship holders (12.2%); pending tuition fees was the strongest predictor, with an **86.6% dropout rate** vs. 24.7% for students with fees paid up.

Retail Sales Performance Analysis | *SQL, Power BI*

Personal Project

- Wrote SQL queries (GROUP BY, aggregations) on 9,800+ retail transactions to evaluate sales performance across product categories and regions.
- Found Technology as the top-selling category (Rs. 8.27L) and identified a regional gap — West region sales (Rs. 7.1L) nearly double that of South region (Rs. 3.9L).

Education

Bachelor of Computer Applications (BCA)

Aug 2023 – May 2026

Maa Shakumbhari University, Saharanpur

Certifications

Data Structures & Algorithms (DSA)
